**IMPORTANT NOTICE TO PROSPECTIVE PARTICIPANTS
IN U.S. DEPARTMENT OF EDUCATION CONTRACT AND GRANT PROGRAMS**

GRANTS

Applicants for grants from the U.S. Department of Education (ED) have to compete for limited funds.

Deadlines assure all applicants that they will be treated fairly and equally, without last minute haste.

For these reasons, ED must set strict deadlines for grant applications. Prospective applicants can avoid disappointment if they understand that

**Failure to meet a deadline will mean that an applicant will be rejected
without any consideration whatever.**

The rules, including the deadline, for applying for each grant are published, individually, in the Federal Register. A one-year subscription to the Register may be obtained by sending \$340.00 to: Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402-9371. (Send check or money order only, no cash or stamps.)

The instructions in the Federal Register must be followed exactly. Do not accept any other advice you may receive. No ED employee is authorized to extend any deadline published in the Register.

Questions regarding submission of applications may be addressed to:

U.S. Department of Education
Application Control Center
Washington, D.C. 20202-4725

CONTRACTS

Competitive procurement actions undertaken by the ED are governed by the Federal Procurement Regulations and implementing ED Procurement Regulations.

Generally, prospective competitive procurement actions are synopsized in the Commerce Business Daily (CBD). Prospective offerors are therein advised of the nature of the procurement and where to apply for copies of the Request for Proposals (RFP).

Offerors are advised to be guided solely by the contents of the CBD synopsis and the instructions contained in the RFP. Questions regarding the submission of offers should be addressed to the Contracting Specialist identified on the face page of the RFP.

Offers are judged in competition with others, and failure to conform with any substantive requirements of the RFP will result in rejection of the offer without any consideration whatever.

Do not accept any advice you receive that is contrary to instructions contained in either the CBD synopsis or the RFP. No ED employee is authorized to consider a proposal which is non-responsive to the RFP.

A subscription to the CBD is available for \$208.00 per year via second class mailing or \$261.00 per year via first class mailing. Information included in the Federal Acquisition Regulations is contained in Title 48, Code of Federal Regulations, Chapter 1 (\$49.00). The foregoing publication may be obtained by sending your check or money order only, no cash or stamps, to:

Superintendent of Documents
U.S. Government Printing Office
Washington, D.C. 20402-9371

In an effort to be certain this important information is widely disseminated, this notice is being included in all ED mail to the public. You may, therefore, receive more than one notice. If you do, we apologize for any annoyance it may cause you.

Research overseas means research outside the United States, Puerto Rico, Guam, American Samoa, the American Virgin Islands. Research will not be funded in countries in which the United States has no diplomatic representation or which are specifically excluded in the Notice of Closing Date annually published in the *Federal Register*.

For a complete description of the programs, consult the US Department of Education Regulations 34 Code of Federal Regulations Parts 663.

Item 1: self-explanatory

Item 2: Provide your Social Security Number (SSN). In accordance with the Privacy Act of 1974 (Pub L 93-579, 5 U.S.C 552a), you are hereby notified that the Department is authorized to collect information to implement the Fulbright-Hays Faculty Research Abroad (FRA) Program under Section 102(b)(6) of the Mutual Educational and Cultural Exchange Act of 1961. Disclosures may include US Embassies, binational commissions, and the J. William Fulbright Foreign Scholarship Board. Furnishing all requested information will facilitate the application evaluation process; and the effects of not providing all or any part of the requested information may delay the process or result in an unfavorable decision. Disclosure of your SSN is voluntary; failure to disclose such number will not result in the denial of any right, benefit or privilege to which you may be entitled. However, without it, the Department may not be able to identify records pertaining to applicants. The collection of the SSN will only be used to the extent that is necessary to track the progress of participants for the program purposes of FRA Program.

All international travel estimates should be based on commercial high season rates for jet economy travel **on U.S. flag carriers**. If approved in advance, international travel by automobile, train, or ship may be authorized in certain cases. The cost of travel by surface carrier may not exceed the cost of jet economy travel via the most direct route for the itinerary listed in the Grant Agreement. Travel by sea also must be on a U.S. flag carrier.

You will not be authorized to travel on grant funds until you have secured the appropriate "research" visas, research permission, and, if necessary, the appropriate affiliation with a host country institution. All travel must comply with the Fly America Act and be approved in writing by the Education Program Staff, US/ED.

No support for dependents' travel is provided.

Item 24b: Indicate your annual academic year salary at the time of application (excluding summer salary or anticipated increases) and any duplicating support (e.g., foundation grants, fellowships, sabbatical pay, etc.).

The total amount requested equals the monthly stipend multiplied by the number of months to be spent overseas adjusted for duplicating support. Please note that there are no dependents' allowances under the Faculty Research Abroad Program.

Item 24c: Indicate any duplicating support received. This amount is a negative number since you will subtract it from the total amount you are requesting.

Item 24e: Fixed \$100 administrative fee paid to institution.

Item 24f: Indicate sum of 24a through 24e.

Item 25: An application will not be considered unless dated and signed by the individual applicant.

Item 26: The curriculum vitae ought to be brief and address those previously cited evaluation criteria focused on the qualifications of the individual applicant. You may wish to list relevant course work dealing with your language and

area studies specialization; indicate fellowships and honors received; describe your publications record and any other items which, in your opinion, give a panel of scholars a comprehensive view of your achievements, ability to successfully complete the particular research described in this proposal, and overall record as a teacher and/or research scholar. You may use this page as a cover sheet for your own professional c.v.

Item 27: This page ought to be used as the title page of your project description. The project description must be limited to 2500 words (i.e., 10 double-spaced pages using size 12 font with one inch margins).

You should develop your 10 page, double-spaced project description taking into account the evaluation criteria provided in the sample Technical Review Form. Given the fact that, in addition to language and area studies scholars, non-specialists are included in the evaluation process and that host country officials will review your application and ultimately decide whether research permission is granted, you may also wish to consider the following factors when developing your project description:

- a. Host country sensitivities and interests.
- b. The use of English which can readily be understood by well-educated non-specialists.

Awards are not made to applicants planning to conduct research on topics which are determined to be politically sensitive by the host country or unfeasible. It should also be noted that the U.S. Department of Education will not submit to the host country any "dummy" proposal (i.e., proposals which do not accurately reflect the research purpose in the hope of avoiding difficulties with host country acceptance of the proposal).

Instructions for Fulbright-Hays Foreign Language Reference Form

A completed reference for each language listed in item 9 of the *Fulbright-Hays Training Grants Application Form* must be submitted.

Instructions for Fulbright-Hays Faculty Institutional Support Statement
